

CANADA

When you think of Canada, the first things you think of will usually be its natural beauty, maple syrup and national parks. Canada is a country in the northern part of North America. Its ten provinces and three territories extend from the Atlantic to the Pacific and northward into the Arctic Ocean, making it the second-largest country in the world.

HIGH SCHOOL IN CANADA

Canadian high schools are globally recognized for providing high quality education and are a great fit for students of all interests with a wide range of course options in both academic and vocational subject areas. Students can explore classes ranging from traditional course options in sciences, maths, social sciences, languages and humanities to electives that include the performing arts, automotive technology, culinary arts, health and wellness, entrepreneurial studies, outdoor education, world studies and much, much more. In addition to offering a wide range of course options, Canada is also a bilingual destination where students can choose English, French or bilingual placements including schools in Canada's French-speaking province, Quebec.

Canadian high schools provide a warm and welcoming environment for students that encourage inclusivity and student involvement with lots of opportunities through extra-curricular options to try new activities, sports and clubs, and to make new friends. Canadian schools have a proud history of welcoming international students which has resulted in a strong and established infrastructure of support for students.

IDENTITY IN DIVERSITY

Canada is a country of great diversity in both its people and in its fantastic landscapes from coast to coast. Where the mountains meet the sea in BC to the prairies of Central Canada, the great metropolis of Toronto, the uniquely French influence of Quebec, to the Atlantic providences. Canada has the environment for you with opportunities to explore from skiing to ice hockey, surfing and canoeing, witnessing your first moose, experiencing the wonder of Niagara Falls or tasting the best maple syrup, the possibilities are endless!
